* ASFINAG will confirm receipt of your order by e-mail.

You will receive a written confirmation stating an identification code. The GO-Box ordered will be handed over to you upon presentation of the said identification code at any point of sale.

I/we herewith order a GO-Box for the following vehicle/s:

Vehicle registration number	Nationality	Vehicle Type*	Emission class**	Axles (tractor unit)

* Vehicle type: truck > 3.5 t < 7.5 t; truck >= 7.5 t < 12 t; truck >= 12 t; buses

**** Important:**

The toll operator is requesting a documentation for vehicles with emission **class EURO 4 or better**. Therefore please send us a copy of the vehicle registration document. If the emission class isn't shown within the vehicle document, a CEMT authorization or a COP document is required in addition.

ASFINAG charges a non-recurring handling fee of 5.—Euro (incl. VAT) per GO-Box which will be invoiced by UTA as soon as the GO-Box has been picked up by the customer.

I/we herewith confirm to accept the valid General Terms and Conditions of UNION TANK Eckstein GmbH & Co. KG (UTA) which are available at www.uta.com.
